Hair, Beauty, Massage, and Nails

At Cutting Edge, Members' well-being is our primary concern. We understand the challenges surrounding us, and are always looking ahead in managing those challenges, creating opportunities to improve our products, services and offers.

Cutting Edge has four main categories to serve Members and their families.

Cutting Edge Hair Salon

Cutting Edge Hair Salon brings the world to you - one station for the entire family.

- **Hair Styling Services.** The professional team of Top and Creative Stylists provides Cut, Blow-Dry, Hair Up-do, for all kinds of events and your daily convenience. We are specialists in men's, women's and children's hair and scalp.
- **Technical Services.** Our team of Senior Hair Technicians is expert with hair colour, highlights, balayage and all types of perm and straightening treatments. The team has extensive knowledge of scalp and hair treatments for hair loss, scalp sensitivity and redness.

Hair and Scalp consultation is free and can be booked any time daily between 9am and 7pm.

Spa Mist II

Latest Japanese technology, the Spa-mist transforms water into Nano steam for easier penetration of the hair and the scalp. The application can be added to the regular hair wash, hair colour, highlights or perming services for healthier and long-lasting hair and scalp after treatment results.

Nano Smooth Keratin

Nano smooth pure is an advanced innovative hair product for soft, smoothing and complete straightening of your hair. The anti-frizz treatment is chemical-free, containing no formaldehyde or aldehyde. The products use safe, all-natural, premium ingredients that provide long-lasting protection for your hair.

The treatment is based on pioneering patented molecular biomimetic technologies, and considered the only keratin-based product using this all-rounded natural formula.

The service duration is two to three hours depending, on the hair length and thickness. Results last up to three months and beyond if you use the Nano Smooth home use products.

Cutting Edge Beauty Salon

The focus is on the well-being of Members and the wellness way of life. The EMSELLA CHAIR, EXILIS ULTRA 360 and LPG-M6 Generation X those are the world-leading brands and treatments.

EMSELLA CHAIR

EMSELLA CHAIR is a breakthrough technology representing a new category of non-invasive treatment for urinary incontinence for men and women.

EMSELLA utilises High-intensity Focused Electromagnetic HIFEM1 to cause deep pelvic floor muscles stimulation and restoration of neuromuscular control.

A single EMSELLA session brings thousands of supramaximal pelvic floor muscle contractions, which are extremely important in muscle re-education in the incontinent.

Additionally for men, the pelvic floor supports the erection by improving the hydraulic system within the corpora cavernosa. One session can change the way you look at your intimate moments forever.

Session duration: 28 minutes and you remain fully clothed.

EXILIS ULTRA 360

The new EXILIS ULTRA 360 state of the art technology is swift, non-invasive with five different tips to cover more than 20 areas. This machine has the first and only applicator to simultaneously utilise radiofrequency and ultrasound at the same time.

EXILIS ULTRA 360 provides skin rejuvenation, uplifting and optimum and immediate results.

Full Face, or Eyes area, Double Chin, Neck area, Chest area and Hands are treated per session: each session 15 minutes and cost \$1,995.

Body parts such as Abdomen Area, Forearms, Thighs, Bra Roll, and many others, those areas treated per session: each session 15 minutes and \$1,995.

The Intimate Area FEMME: this treatment is a breakthrough focus on the well-being of the intimate area for the inner rejuvenation and external aesthetics. The team is expert, and they exercise a hospital-level of hygiene and professionalism.

CELLU M6 Generation X by LPG

Age-Defying Facial 60 minutes

Have you tried real skin fitness? The endermologie facial boosts the natural synthesis of essential rejuvenating

ingredients. Endermologie is the first and only technique globally, which has been scientifically proven to increase natural hyaluronic acid by 80% and smooth wrinkles by 87%.

Body Treatments with CELLU M6 Generation X

Each session 15 minutes

The new M6 advanced Lipo massage treatment makes it possible to target and slim specific areas resistant to diet and exercise (arms, back, stomach, waist, and thighs) while precisely adapting to the needs of each type of skin.

GENEO PLUS

3-in-1 Super Facial, 80 minutes

The ultimate Super Facial combines three facials in one. Starting with Oxygeneo Brightening or Revive capsules to boost the natural oxygen to your skin, radio-frequency is then applied to leave the skin immediately tighter. Ultra-sound technology follows to improve and seal in moisture retention.

Facials by Kerstin Florian International

Luxurious facials collection use only hands-on touch to firm, tone, refine and deeply hydrate the skin with protein-rich caviar and powerful antioxidants. Exclusive caviar products infuse the skin with age-defying nutrients to smooth fine lines and improve texture. An AcuLift massage visibly firms and tones and our marine biomatrix sheet provides intensive hydration to restore radiance instantly. Results are immediate, leaving skin looking supple, healthy and luminescent

Body Treatments Hands-on

Probiotic Body Scrubs

Enjoy a full-body scrub rich in healthy probiotics with Epsom salts and organic sugar infused in organic shea butter. Your skin will be instantly smoother and hydrated. Can be performed without scent or with a bespoke aroma of your choice.

Age-Defying Firming Wrap

Using our exclusive organic Shea butter infused with paracress (nature's answer to botox), this wrap will plump, firm and hydrates the skin in the most natural way.
